Subject: St. Monica Auction

Kelly- It has taken me a while to get back to you but wanted to let you know that the Mix 102.9 items were a big hit and helped St. Monica bring in a tidy sum. I haven't heard a final tally yet but I believe the auction itself was going to be a huge success. And that success is a direct result of people like you and Anna de Haro helping us out.

BTW, I was out at the Ballpark in Arlington that Saturday, Feb. 1 and saw some of your people with a Mix 102.9 booth set up. I asked a woman if she was Kelly Kemp (as we have never met) and she said "no but I work for her". She was with a young black man and another woman (I believe) and were raffling off things and giving away Mix 102.9 T-shirts. They were doing a nice job.

Again, Kelly, thanks for your assistance in getting some wonderful items to auction off for St. Monica School.

Warm regards,

Phil Schnorbach

Dear Mr. McMahon,

On behalf of our Board of Trustees, our physicians and staff, and especially our young patients and their families, we at Cook Children's Medical Center want to thank you Anna, Jeff, Tony, Lisa, Amy, Joe, Chris and the rest of the crew for such a fantastic second CMN radiothon.

The success of this event helps make it possible for us to provide quality health care for every patient at Cook Children's regardless of their parents ability to pay. A spirit of compassion and generosity has surrounded Cook Children's throughout its 80-year history and this spirit continues today with your help.

My personal thanks to each of you. The culmination of your enthusiasm and support throughout this project has been phenomenal. Thank you for making a difference.

Dear Mr. McMahon:

I am writing on behalf of Deer Creek Elementary School in Crowley, TX to thank you for sharing Lisa Thomas with us to emcee our annual Talent Show this past Friday evening. Lisa has done this for us before, and she never ceases to "wow" the audience. The lady is a "natural" and interacts with the audience in an upbeat, motivating, and humorous manner. Her spirit is contagious, and I can assure you that each time she comes, she broadens your station's listener base. I am certain you are proud of her and the way she represents your station.

A favorite of our audience, she always leaves us thirsty and begging for more. We just can't seem to get enough of her vivacious spirit and engaging personality. The kids and parents alike absolutely adore her!

Thank you also for promoting our show on your radio station as well. The weather was a hindrance this year; however, it didn't keep our audience away, and we know we have you and your wonderful station to partially thank for that. It is obvious that you are a station that puts community and children first! Lisa Thomas rules, and so does MIX 102.9. Best wishes for a successful 2003!

Sincerely,

Dear Lisa:

Thank you once again for taking the time to be the emcee for the Deep Ellum Pet Parade. You have become such an important part of the Pet Parade over the last four years. Your contribution has helped it grow from a quirky add-on to the Arts Festival to a much anticipated, howling success! This year we had over 75 dogs attend! I especially like the way you are able to incorporate the crowd into the event. Also, your crew from Mix 102.9 was very professional and well organized. The Pet Parade is a great opportunity for people to have fun showing off their pets while raising money and awareness for the Dalmatian Rescue of North Texas. Let's continue the tradition again next year!

Dear Pat:

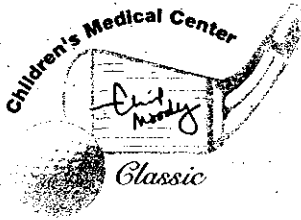

On behalf of everyone on our staff, and our students, I want to express our thanks to you, Jeff, Anna, and Cappy for your visit here last Thursday. Your presentation to the students was truly outstanding, and brought them information on broadcasting that they simply could not gain in any other way. You all displayed your enthusiasm, passion for the vocation, humor, and depth of knowledge in radio in your discussion. The students carried away many valuable insights, and obvious enjoyed the chance to talk with all of you personally at its conclusion. It was a great highlight of our field trip day.

We appreciate the fact that you all took time from your day, and your busy schedules, to bring this message to our KEOM Radio students. As a small token of our esteem, we want you to have the enclosed gift certificates for dinner at any Romano's Macaroni Grill location. Please share these with Jeff, Anna, and Cappy, along with this note. We hope that the enjoyment that you all gain from these certificates will equal at least a small part of the enjoyment that you all brought to our students through your presentations.

Thanks to all of you again for being here to assist in the educational program for our students, and for being friends to us here at KEOM Radio.

Sincerely,

Dear Pat:

Thank you for your participation in the 16th Annual Children's Medical Center Chip Moody Classic. Because of your involvement, this year's tournament and auction party were our most successful ever, netting more than \$230,000 for Children's Medical Center Dallas. We are grateful for your support in making this year such a tremendous success. Without your enthusiastic participation and support of this event, this would not have been possible.

Proceeds from this event benefit the Chip Moody Child Care Fund and Endowment which was established to enable patients to be treated at Children's Medical Center Dallas regardless of the family's ability to pay. Your contribution will directly help families pay expenses critical to the ongoing treatment of their child. Because of your support and many others like you, no family ever has to be turned away from Children's Medical Center Dallas, regardless of their ability to pay.

In addition, the Chip Moody Child Care Fund and Endowment supports the Child Life Department at Children's. Child Life's philosophy is to treat the whole child by providing emotional and social support through special activities, medical play with bandages and stethoscopes, and camps that help maintain normalcy in the child's life.

Thank you again for your dedication to Children's mission to make life better for children. Please make plans to join us next year, June 21, 2004, for the 17th annual event. We look forward to your continued support and participation.

Dear Joh,

It is with great appreciation that I write to thank you for the terrific items you recently sent for my Foundation's **My Stuff™** Bags program. Your great donation of videos, dvds, t-shirts, stickers and other terrific items will help us fill our special care bags with just the type of fun stuff these kids need to help them through a tough time in their lives.

Doesn't it just amaze you to hear that nearly 300,000 children in America must be rescued from terrible, abusive situations *each year* and that so often they arrive at crisis centers and foster homes with absolutely nothing of their own? Individual **My Stuff™** Bags, filled with things to do, things to cuddle, things to hold on to, help these children transition into their new surroundings. **My Stuff™** Bags also let the children know that lots of people, people they have never even met, care about what has happened to them.

The Dr. Laura Schlessinger Foundation is well on its way to providing 70,000 **My Stuff™** Bags this year thanks to wonderful donors and volunteers, generous corporate sponsors, and of course, you! But we're not stopping there; we plan to keep on filling bags and sending them until we put a **My Stuff™** Bag into the hands of every lonely child in need of one, each year. So clean out those cupboards often, think of us when you talk to sponsors who just might have things in their warehouses these kids would enjoy, and keep the stuff coming!

Once again, thanks for responding so quickly and so generously to my request for items for these deserving children. It truly touches me to have your support for this mission so close to my heart.

Sincerely,

Dr. Laura Schlessinger

P.S. The Dr. Laura Foundation is also always in need of additional funding for **My Stuff™** Bags. If you'd like to help us with a fundraiser, please contact Janeen Holmes, Executive Director, at 818-865-3860.

Dear Kidd & crew,

My name is Kelly Howard , I am the mother of Courtney Howard. On Friday , April 18th KISS fm came to Mabank High School for a blood drive for my daughter that has cancer. She is 17 yrs. old and in the 11th grade. The goal was to have 100 pints of blood donated in Courtney's name and we ended up with 87 pints and 25 people were turned away for one reason or another. If they could have given blood we would have been over our goal but we appreciate everyone who came out. We would like to thank KISS fm for coming out too. And Courtney thanks you for the autographed t-shirt from the morning crew. I am so glad there are such giving people in this world. And I would like to thank you again for making my daughter's day a happy one.

God Bless each of you,

Kelly Howard

Subject: Yanni Concert

March 5, 2003

Hey Jeff:

Thanks you! Thank you! Thank you!!

After the Yanni blasting Monday, which was hilarious, (By the way, Yanni doesn't actually play the keyboard with his mustache, he uses it to support the weight of his nose. That, and for balancing on top of his skin-tight leather jeans.) Ha, ha. Any way. After the blasting, I decided to see if there might be anymore tickets left. I called. You answered and I asked. And then I hesitantly mentioned that I could use four tickets instead of two and you were so cool about it. Unbelievable! You see, most of my family, (die hard Matchbox Twenty and Creed fans) secretly loves Yanni and I'd been planning to take my two teens, female-15, male-16 and my 11 year old daughter to their first concert to see Yanni, do dinner, yada, yada until a few bigger medical bills came in and I didn't think it was too smart to spend all that money just now. When I called you and you actually said yes, I was floored. I called Kelly, your super-cool receptionist, a few more times than once and she stayed so nice. She left four tickets for us with the guard and *voila*, we were off to one of the best evenings I've had in years!

I wanted so much to hug you and Kelly and tell you what a great concert it was and your tickets weren't wasted!

Please bear with me for the rest because for you to get a sense of how wonderful that evening was, the impact, and of my gratitude to you and your staff for your kindness, you must know a little history. A history with a good ending and a bit of a MIX 102.9 connection too.

After a severe seizure at school, my youngest, then ten, was diagnosed with a brain tumor, a low-grade glioma. The tumor was between the white and grey matter in what they call an eloquent, meaning important or dangerous area containing our senses like sight and our reasoning abilities, our comprehension and most importantly, our personality. Kaycie was scheduled for surgery in three weeks. Then we got a call and was told that due to the severity of her condition, "The doctor doesn't want to wait.

3/6/2003

He want's to do it this Thursday." Valentines day, 2002. We were crushed by grief; the kind that squeezes your chest and threatens to suffocate you. We could loose her. At best, we could expect our academically gifted little comedian, our sweet Kaycie to come back different; not in a good way. The tumor was removed a bit over a year ago at Cooks Children's Hospital and Kaycie came back Kaycie! Laughing and joking Kaycie. (Only a few months trouble with coordination and slower reasoning abilities and ten years of follow-up with M. R. I.s and oncology visits, *big deal*.) But she's back completely!! The MIX connection? the hospital of course but also, Tony Zazza was there during our stay (they let me room in with her) doing the Children's Miracle Network and we not only got to meet him but he posed for a picture with Kaycie and then he autographed it for her. She still has it. It's so wonderful what you guys do for those kids.

Well, I'm sitting in this concert hall with my three children. My arms are around Kaycie, my son's to my left, my other daughter, to Kaycie's right. I am enveloped in this beautiful music with the stage light glowing and all the smiles. And my Kaycie grabs both of my arms, squeezes them and cocks those beautiful little eyes of hers around at me and says, "Mommy, thank you so much for bringing me here." And I think to myself just how lucky I am to be here with them, with her. Tears well up in my eyes and I whisper a prayer of thanks.

You might find this next part funny since it sort of plays along with Monday morning's Yanni humor:

The sixteen year old son. The mega-cool Hawaiian-shirt, sunglass cladden son with the permanent indentations from headphone addiction is as *into* this concert as I am. He's actually yelling and standing and stomping, okay not stomping. That was me. But you get the picture. Now Kaycie of course is mimicking Mom and bobbing along to the melody. So I glance over to my eldest daughter, the artsy one. The dreamer. The one whose had piano instruction. The one that should be loving the concert and she's clearly not getting it. She's fiddling with her seat, looking around at the lighting, fuming at the enthusiastic fan bumping into her elbow, anything, but looking at the stage. Wow.

Concert ends. Encore number one completed. Audience roaring for a second one. And my daughter, gifted with discretion yells out, "*Oh please. Don't make him come out again!*" My son, Mr. Cool, (son's name is Adam) snaps her a cold look and says, "Lauren. You're not riding home with us!"

We laughed and talked all the way home. The children got into bed well after midnight on a school night and were thrilled about it. We owe all of this wonderful memory to you and your station.

Thank you Jeff and

Thank you MIX 102.9

All of my heart,

Jennifer Ryan

Just wanted to send you a quick note regarding my remote this past Saturday in Ft Worth off Hulen. The remote was 3-5PM.

The street team had everything set up and ready to go at 2:30. Fernando did get lost and unfortunately did not arrive until 3:40PM. He offered to stay late however, the street team was not able to stay with him due to the fact that they have tight constraints on weekly hours.

I was impressed with our street teams enthusiasm and energy...haven't seen that in a while!

Thanks,
jf

I just wanted to compliment your staff on what a fantastic job they did at the event held in McKinney on Saturday. The guys that ran the give aways did a great job and ensured a fun time for all. They made a special effort to include kids in the action. As a mom, I really appreciated their efforts! Thanks!

Thanks Jonathan - Keith - Patrick
Great Job!
